STRAPPING
WRAPPING
CODING
TAPING

The B6 paper tape dispenser has been the user-friendly and economical all-rounder for gummed paper tape for years. The device is suitable for closing small quantities of packages per day. It is easy to move and no electricity is required.

The tape length is easily adjustable with the lever, which makes it easy to close packages with different dimensions.

Advantages

- Suitable for paper adhesive tape
- Adjustable length
- Minimum roll width 20 mm
- Maximum roll width 100 mm
- Cutting mechanism with hand grip
- Steel frame for a long lifespan
